Internship – Illinois, Indiana, USA

About Us

Acuity has partnered with Fast Genetics to provide pork producers across North America and worldwide with breeding stock and innovative genetic and reproduction solutions. We work side by side with pork producers and industry partners to build the future of pork production together. It is a future where cutting-edge science and proven farm practices meet, ensuring the health of pigs, producers, and consumers for generations to come.

Opportunity

Acuity is currently seeking full-time college students who are passionate about agriculture to fill summer internship positions. The internships will provide a hands-on learning experience with dedicated mentors to provide company business and operations insight. These positions will be located in southern Illinois or Indiana.

4 Internships are available

- Production (Sow Genetic Nucleus, Boar Stud or Performance Test Center) – 2 positions
- Technical (Project based in the area of genetics or reproduction) – 2 positions

The successful candidate (s) would ideally possess:

- Self-motivation, reliability, and a team player,
- Outstanding organization and communication skills and demonstrates attention to detail,
- Ability to prioritize time to meet deadlines,
- Obtaining an agriculture-based college certificate or other specialized training in agriculture
- Critical thinking skills.

What we offer

- Paid salary,
- Housing (where applicable),
- Hands-on experience,
- One-on-one mentoring,
- Inclusive work environment,
- Dynamic and challenging work for talented individuals.

The deadline for applications is **November 25th**

If you are interested in this opportunity, please send your cover letter and resume to:

careers@fastgenetics.com

Attention: Human Resources **Subject Line:** Acuity Internship

This position will remain posted until filled. While we appreciate all applications we receive, only candidates under consideration will be contacted. Fast Genetics is an equal-opportunity employer, and all qualified candidates will receive consideration.
